CAFOD FAMILY FAST DAY - 7TH OCTOBER 2022

Today, millions of families are facing a food crisis that could be worse than any we've lived through - a crisis created by other disasters: climate change, coronavirus, and conflict in Ukraine, meaning food prices are skyrocketing. This year, the CAFOD Family Fast Day on Friday 7th October is an opportunity for us all to join together so that families around the world survive today and have food for all their tomorrows. By sharing a simple meal and giving what you save, you'll be standing in solidarity with vulnerable people who are threatened by the global food crisis. No-one deserves to go hungry.

WRAP UP WARM FOR WINTER APPEAL

This winter is going to be challenging for many people due to soaring food and fuel costs but even more so for those living on the streets or in need. With this in mind, over the next few weeks we will be collecting small items of warm clothing (**hats, scarves and gloves only**) for those less fortunate than ourselves who have no place to call home and for whom winter is going to be a battle for survival. Unfortunately we are unable to take larger items. Your donations can be left at the back of church or dropped off at the presbytery. Thank you.

REFLECTION

All of the readings this Sunday are continuations of those from last Sunday and centre on the day of God's judgement. Most importantly, they point to the end of the unjust and the triumph and comfort of the poor and just. Today's gospel puts before us the abundance of the rich man versus the poverty of Lazarus. He is lying at the rich man's door with the dogs as his only companions. The rich man simply steps over Lazarus - he is so self-absorbed that Lazarus' condition does not affect him in any way. When both die, Lazarus inherits eternal life with God, but the rich man doesn't fare quite as well. Only when he dies does he take notice of Lazarus, but by then it's too late. Our modern society and the wider world are places of extremes - on one side of the coin there are the very wealthy and on the other the desperately poor. In the media we see and hear so many stories of people who have more money, wealth and riches than they know what to do with and conversely more and more we see those who are struggling just to stay alive each day. Politicians tell us that our economies are 'recovering' yet the number of food banks and charity shops is growing daily. Many churches and charities report that more people than ever are looking for help and support just to provide the basic necessities of life. Today's gospel puts before us two very challenging questions: How do I treat others, especially the poor and marginalised? How do I respond when someone else asks for my help? We hear the gospel every time we celebrate the Eucharist, but its message about how we are to live as followers of Jesus does not only come from scripture, it also comes through those lying at our door, and through those who we see begging on our streets. We only need to open our eyes to see them and we only need to listen to them to help them. The rich man did nothing either to or for Lazarus. His sin was indifference. Every day, in countless small ways, we are asked to look beyond our own needs and see where we can help another person and make a difference. The choice of how to respond is ours - we can either reach out in mercy and compassion or we can walk away. Today, let us take some time to consider: How will I respond?
